WHAT IT IS

A soothing Magnesium and European Sea Salt soak that turns any bath into a blissful pre-sleep ritual. Infused with skin-softening minerals and aromatic oils like Geranium, Balsam, and Lavender, this soak helps ease muscle tension, reduce inflammation, and calm both body and mind—preparing you to drift off into deep, restorative rest.

AROMATHERAPY

Lavender and Chamomile create a calming, grounding experience.

KEY INGREDIENTS

Magnesium Chloride Salt Flakes

Sourced from the Dead Sea, these mineral-rich flakes help soften and hydrate the skin while preparing your body for sleep by helping to release muscle tension and reduce inflammation.

European Sea Salt

Naturally harvested through sea water evaporation, this salt acts as a detoxifier to help absorb impurities from the skin. It also dissolves effortlessly into warm water to help relieve irritation and nourish inflamed skin.

Balsam Resin

Sustainably sourced from a flowering plant, this oil has long been used in traditional medicine for its anti-inflammatory and healing properties.

Aromatherapy Flower Oils

Known for their stress-relieving and mood-balancing properties, Lavender, Chamomile, and Geranium oils create a tranquil aromatic experience that sets the tone for sleep

HOW TO USE

Add 2 to 4 scoops to warm bath water. Settle in and soak for up to 30 minutes, enjoying deep serenity.
