Cloud Foaming Bath Oil

USD $52 • 180 ml / 6 fl oz

HYDRATING & CALMING BUBBLE BATH OIL

WHAT IT IS: An ultra-moisturizing, aromatic bath oil uniquely formulated to create foaming bubbles once in water, turning a simple bath moment into a spa-like, results-driven experience.

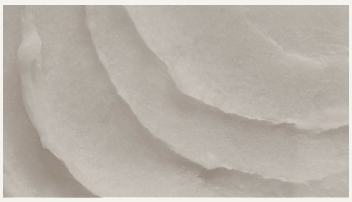
HOW TO USE: Pour your desired amount of Cloud Foaming Bath Oil into running warm water and swirl into tub. The oil will turn into foaming bubbles, delivering a luxurious bubble bath experience. Soak for up to thirty minutes to deeply drench skin in moisture.

GREAT FOR: All skin types in need of relaxation and hydration.

AROMATHERAPY: Soothe & relax with Lavender & Sage.

KEY INGREDIENTS

84% Natural Origin Content



GENTLE COCONUT-DERIVED SURFACTANT

Made from Coconut Oil—and with your intimate areas in mind—to help balance skin's pH and add moisture to create a luxurious and hydrating bath experience.

SAGE EXTRACT

A blend of 20% extract from the sage plant and ultra-conditioning glycerin that is rich in antioxidants and minerals to help purify and reduce irritation for healthier-looking skin.

PHA EXFOLIANT

Gluconolactone, an ultra-gentle chemical exfoliator, is designed with the most sensitive skin types in mind. Effortlessly removes dead skin cells and acts as a humectant to draw in moisture, revealing smoother, brighter-looking skin.
