

Nourishing Cleansing Milk

USD \$45 • 150 ml / 5 fl oz

BALANCE PH, SOOTHE & HYDRATE

WHAT IT IS: A creamy cleansing milk with Oat Amino Acids that gently sweep away dirt, oil, and makeup without over-drying skin. It helps to balance skin's pH and acts as a filter to help reduce the effects of hard water while supporting skin's natural lipid layer. Leaves skin feeling soft, nourished and refreshed with a fresh-from-the-spa scent. Great for sensitive, dry, or combination skin.

HOW TO USE: Use AM & PM daily. Apply 1-2 pumps to damp skin and massage using circular motions. Rinse off with water and pat skin dry. Follow with your routine essentials and Moisture Rich Balm.

GREAT FOR: Dry, combination and sensitive skin.

AROMATHERAPY: Orange, Cedarwood & Lavender uplift & soothe.

TIP: For a spa-like experience, dampen a cotton pad with Balancing Mist and then apply 2-3 pumps of Nourishing Milk Cleanser. Start at the center of the face using circular motions and work towards the outer corners. Repeat until skin is clean and refreshed.

KEY INGREDIENTS

97% Natural Origin Content 

OAT AMINO ACIDS

Gently cleanse, calm and soften skin, while helping to replenish moisture for a fresh, hydrated finish without leaving skin feeling tight or dry.

L-GLUTAMIC ACID

Acts as a filter to help reduce the effects of hard water and balance skin's pH and moisture levels.

RICE BRAN & ROSEMARY SEED EXTRACT

Rich in antioxidants and vitamins that nourish and soothe skin and help reduce the effects of free radical damage for a healthier-looking complexion.
