WHAT IT IS: A vitamin-rich face scrub powered by Upcycled Pineapple Exfoliants and Red Seaweed Algae Extract with gentle, biodegradable polishing beads to prevent over-exfoliation and help support skin's natural barrier. Smooths dry, uneven skin for a hydrated and glowing complexion.

HOW TO USE: Use AM or PM. Apply an even layer to clean, damp skin and gently massage in a circular motion for 30 seconds. Rinse thoroughly with warm water and pat skin dry. Use 1-3 times per week, as needed. Follow with Balancing Mist and Moisture Rich Balm.

GREAT FOR: Great for dull lacklustre skin. types, even the most sensitive.

AROMATHERAPY: *Unscented* Pineapple and Red Seaweed Algae.

TIP: For a spa-like experience, use in the shower with warm to hot water to help soften skin prior to exfoliating.

KEY INGREDIENTS

97% Natural Origin Content

UPCYCLED PINEAPPLE EXTRACT

Sustainably derived, it helps to refine skin and delicately exfoliate with gentle enzymes and polishing beads for a luminous glow. Enhanced with Smart Skin Technology, the biodegradable physical exfoliators dissolve under pressure to prevent over-exfoliation.

RED SEAWEED ALGAE EXTRACT

Packed with vitamins and minerals to help boost circulation and cell renewal. Acts as a natural humectant to promote smooth, soft, and healthier-looking skin.

POTATO EXTRACT

Derived from the nutrient-rich pulp, it is loaded with Vitamin C, Vitamin B6, and antioxidants to naturally help brighten dull and lackluster skin.
